Name of Applicant _____ Phone # _____

Address _____ City _____ State ____ Zip _____

I certify I am a licensed AHBA bench show judge and I have studied the Breed Standards for the basset breed. I believe that I am competent to be a Breed Inspector for AHBA basset hounds. I will inspect the hounds to the best of my ability and I will not register a hound that I do not think is a full blood Basset Hound.

Further, I will not show partiality to any hound or hound owner.

Signature of Applicant _____

It is my belief that the above named applicant is a trustworthy person and will be an honest and competent Breed Inspector for our club and other AHBA clubs.
